Research & Publication

1. Policy and Program on Research and Development
Since the University is a place for teaching and learning through research activities, Dhaka International University (DIU) is providing opportunities for research works and has set up a Research and Publication Cell for enhancement, quality assurance and assembling of research works and other publications on different subjects. In view of this objective and to monitor research programs carried out by the faculty members of different departments of DIU the following policies have been taken:

- *. A research group will consist of three faculty members for each department.
- *. One will be head of research group and other two will be assistant researchers. More than one research group may be formed in each department.
- *. Research groups will submit their research proposals to the Office of the Director, Research & Publication Cell.
- *. The Supervisory Committee will scrutinize the research proposals submitted by the research groups of different departments and the selected proposals will be submitted to the authority through Advisory committee for approval.
- *. Progress reports of each research proposal have to be submitted to the supervisory committee on six (06) monthly basis.

The following Research Proposals have been approved in 2018

- a) A study on challenges and opportunities of Mobile Health in Bangladesh: Regional Exposure and Health
Department of Computer Science & Engineering
Research Group: Mst. Jahanara Akhter, Associate Professor and Head of Research Group

Other members are Samrat Kumer Dey, Lecturer and Md. Al Imran, Lecturer, Dept. of CSE

b) Biometric Voter Authentication, Vote casting and Counting (BVACC)

Department of Electrical, Electronics & Telecommunication Engineering (EETE)

Research Group: Md. Abdul Based, Associate Professor and Head of Research Group

Other Members are Tafsir Ahmed Khan, Lecturer and Sirajul Islam Teaching Assistant, Department of Electric, Electronics & Telecommunication Engineering (EETE)

DIU authority allocated Tk 1,00,000 for each research group from its own fund

Research works of both projects are going satisfactorily.

Publication

Dhaka International University (DIU) gives due importance for research and development (R&D) works of high standards and has been publishing regularly a peer reviewed and index Journal (ISSN:2077-0111) twice in a year with research and scholarly articles received from the faculties of this university as well as from other universities and organizations at home and abroad on varieties of subjects such as Business Studies, Computer Science & Engineering, Civil Engineering, Electrical, Electronics & Telecommunication Engineering, English Language and Literature, Law, Pharmacy and Sociology.

Dept. of Business Administration Historical Place Visit

The students of BBA Program of 53rd (A), batch visited Sonargaon on 23 December, in 2019. They came to know about the historical place Sonargaon.

Sonargaon was the old capital of Bengal in the Medieval Period. Sonargaon was the seat of Medieval Muslim Ruler and Governors of Eastern Bengal. Different rulers from the 13 Century used Sonargaon as their capital. It was abandoned as the capital of Bengal in 1610 by the Mughal Ruler when they shifted the capital of Bengal to Jahangirnagar, which was later named Dhaka.

Sonargaon Folk-Arts and Crafts Museum is the most popular tourist spot in Sonargaon. The original Museum was established by famous painter Joynul Abedin in 1975. Artifacts related to the heritage of Bengal from 17 Century onward are being displayed in this museum. Sonargaon was famous for its production of the finest quality hand-made saris among which Moslin was the most famous. This sari was so thin, a whole sari could be folded in a match box. A sample of Moslin and other finest quality saris, Nokshikantha, mattress made of fabrics and brass and many other artifacts are being on displayed in the museum.
